BLOCK OUT THE AIR WITH THE PATENTED BOTA® MAIL SLOT INSULATOR

Adjustable

Horizontally and Vertically

Upon realizing the standard mail slot was due for modernizing, the **BOTA Mail Slot Insulator** was born as a versatile upgrade and solution to the issues that accompany traditional mail slots.

- Our Mail Slot Insulator effectively eliminates drafts.
- Keeps out insects.
- Peeping eyes through the mail slot are off-limits.

The BOTA Mail Slot Insulator Features:

1. Homeowner Hassle-Free Installation
2. Adjustable horizontally and vertically without using tools
3. Materials designed to last and withstand environmental conditions
4. Versatility to work with virtually all pre-existing mail slot designs and cut-out sizes.
