

Paint Mate

Professional Painter Inspired

- ◆ Ergonomic paint brush holder; puts hands in natural position
- ◆ Saves hands from repetitive motion; Carpel tunnel friendly
- ◆ Takes stress off fingers and wrists; No more cramping while painting
- ◆ Able to brush for extended periods of time; Reduces stress when gripping brush all day
- ◆ Full brush control; Multi tool has a hammer on end

Maintains a delicate touch on tedious projects
Insert brush handle into small hole, then place tool in pam of hand.

Multiple sizes to accommodate any brush handle;
Patent pending
