

Funnel Magnet

Offers a simple solution against spills across multiple industries with the introduction of a magnetic top.

1. Use in the AUTO industry for adding any type of automotive or engine fluid.
2. Use in the HARDWARE industry for pouring paint and/or any oils.
3. Use in the HOME/KITCHEN with the convenient strainer attachment.
4. Use in MULTIPLE industries with the convenient hose attachment.

The magnetic top also allows for simple and efficient storage!
